[Admin Panel]

The screenshot shows the website header for the 2021 Symposia on VLSI Technology and Circuits. The header includes the event logo, a search bar, a user profile icon labeled 'VLSISession C...', and two buttons: 'Admin Panel' and 'My Menu'. The 'Admin Panel' button is highlighted with a red box and a callout bubble pointing to it. Below the header is a green navigation bar with a home icon and the text 'TECHNICAL SESSIONS'. The main content area features a 'Featured Content' section with a 'NEW' tag and a 'See More Featured Contents' button. The featured content is a large banner for the 2021 Symposia on VLSI Technology and Circuits in Kyoto, held from June 13-19, 2021. The banner includes a note that the event will be held in a fully virtual format due to COVID-19 and features a background image of a traditional Japanese building on a hillside.
