

Privacy Notice (GDPR version)

Privacy Notice

The 2025 Symposium on VLSI Technology and Circuits (the Symposium hereafter) is the international symposium which will be held on June 8 - 12, 2025 in Japan. We, (JSAP Executive Committee), the organizer of the 2025 Symposium on VLSI Technology and Circuits issues this Privacy Notice to inform you of our collection, access, use and process your personal data in the way described below.

1. Categories of personal data

We hereby inform you that we collect, use and process the following categories of your personal data:

- Name
- Affiliation (University/Institute/Company)
- Address
- Phone Number
- Fax Number
- Email Address
- IEEE or JSAP Member Number
- Cookie Information

2. Legal basis and purpose (As per Article 6(1)(f) GDPR, we hereby inform you that we use your personal data for the purpose of providing you following services.)

- Registration of participation in the symposium
- Submitting paper to the symposium
- Operational tasks
- Contacting participants in case of emergency
- Preparation of reports
- Conducting questionnaire surveys
- Providing the information of other related conferences
- Providing the list of participants to the organizer of Silicon Nanoelectronics Workshop and Spintronics Workshop

In addition, your personal data may be converted into statistical or aggregated data which cannot be used to identify you and then used to produce statistical research and reports.

For purposes other than those stated above, the Symposium will not use your personal information.

3. Retention periods

We keep your personal data as long as there is a statutory or legal requirement to do so or in order to provide the aforementioned services to you. For accounting or auditing purposes we may retain your personal data for a period of time after our direct business dealings have ended.

4. Data storage and transfer

Furthermore, we may share your personal data with other companies which may be located within or outside the EEA and provide business process services related to the provision of the services indicated above. Where a company is located outside the EEA, we will arrange adequate safeguards such as Binding Corporate Rules or Standard Contract Clause arrangement or transfer your personal data based on appropriate legal basis.

Privacy Notice (GDPR version)

5. Prior consent

Where we require access to your Personal Data that GDPR considers Sensitive, we will seek separate explicit consent from you prior to obtaining that data.

6. Your rights

As an applicant you have number of rights among them: the right to request access to your personal data, to have it corrected or deleted, and the right to object to our processing of your personal data.

For further information on these rights please refer to our Privacy Policy:
